**Discussion Questions:**

1. What did you learn?
2. Why does Paul start almost every one of his letters by identifying himself as an Apostle? What does it matter whether we believe Paul was sent by God or by man?
3. Who gets the glory and praise for the work of the true Gospel? Why is this important?
4. In what way are we delivered from this present evil age? What does that phrase mean (in verse 4)?
5. How can you use your salvation for the glory of God this week?
6. Pray for one another and thank God for rescuing you.

**Next Week’s Message:** Galatians 1:6-10
